### **Instructions:**

1. Score the Blueberry Bushel 11” x 4-1/4” card stock at 1-3/8”, 2-3/4”, 8-1/4”, and 9-5/8”. Fold and burnish each side in a Z fold.
2. Stamp verse from the Special Moments stamp set onto the Basic White 5-1/4” x 4” card stock using the Blueberry Bushel stamp pad. Then attach the Meandering Meadows 5-1/4” x 1” DSP to the bottom of this piece. Attach to inside of card. Usually this is the last step, but it is much easier to do first.
3. Line up your cut Blueberry Bushel card stock pieces as they will be attached to the card front. Top row will be 3-3/8” x 2-1/8” then 2-1/8” x 2-1/8” and the bottom will be lined up opposite of the top row. Then lay the DSP pieces to the top of each of these pieces ensuring your design is how you like it. Next, attach the DSP to the card stock. It will help you if you keep them lined up as you’ll be attaching them to the card front.
4. Attach the top left corner 3-3/8” x 2-1/8” piece to the left corner of the left Z fold ensuring all edges are even. Next, attach the 2-1/8” x 2-1/8” to the right side as you did the left. As you do this be sure the inside edges meet as well as the outside edges. 3<sup>rd</sup>, attach the other 2-1/8” x 2-1/8” piece to the bottom left lining everything up evenly. Last, attach the last 3-3/8” x 2-1/8” piece to the bottom right.
5. Stamp verse onto the Basic White scrap using the Blueberry Bushel stamp pad. Cut out using the long narrow label from the Stylish Shapes Dies set. You’ll need to cut twice to make the label smaller. First, attach a length of the Baker’s Twine onto the card front to form a faux bow. Then, attach label to card front using dimensionals.
6. Randomly attach the Dragonflies & Birds to the card front and you are now done!!
