Instructions:

1. Score and fold the Basic White Thick 11” x 4-1/4” card stock on the long side at 5-1/2” to form a card size of 5-1/2” x 4-1/4”.
2. Attach one of the Melon Mambo 5-1/4” x 4” card stocks to the front of the card and one to the inside.
3. Emboss one of the Basic White 5-1/8” x 3-7/8” card stock pieces using the Zinnia 3D embossing folder. Attach to card front.
4. Stamp the large flower image from the Simply Zinnia stamp set onto the Basic White 5-1/2” x 4-1/4” card stock. Be sure to leave room for all the other die cutting you’ll be doing. Color in the flower using the above listed Blender Pens or colors of your choice. Then using the coordinating die from the Simply Zinnia Dies set cut this image out. NOTE: You can also cut out the other items using the Stylish Shapes Dies set, Cut out 1st, 2nd, and 3rd largest of the square dies from this set and the short, wide label.
5. Attach the three squares together, then attach to card front as shown above. Then attach the flowers.
6. Stamp the label you cut out in Step 4 using the verse from the Simply Zinnia stamp set and Memento stamp pad. Attach to the bottom of flower on card front. I used a mixture of regular adhesive and dimensionals.
7. Attach the Sunny Day Dots on the card front.
8. Stamp verse onto the 2nd piece of the Basic White 5-1/8” x 3-7/8” card stock from the Simply Zinnia stamp set using the Memento stamp pad.
9. If desired, stamp the large Zinnia flower and leaves onto the bottom of the piece from Step 8 using the Memento stamp pad. Color in using the above Blender Pens or color of choice. Attach to inside of card and you are now done!!
