- Attach Toadstool Gardens 5-1/4” x 4” DSP to card front.
- Attach Toadstool Gardens 4” x 3” DSP to card front centering between top and bottom of card.
- Using the 3-3/4” x 2-1/4” die from the Textured Notes Dies set and Stampin’ Cut & Emboss Machine cut out the Melon Mambo 2-1/2” x 4”. Next, attach the Toadstool Gardens 3-3/8” x 1-7/8” to the Melon Mambo rectangle. Once you’ve done this, attach to center of card front using dimensionals.
- Using the 3rd smallest die from the Around It All Dies set, cut out a piece from a Granny Apple Green scrap. Attach to the upper part of the rectangle from Step 4.
- Using the stamp pads listed above, or others you’d prefer, stamp two toadstool caps from the Terrific Toadstools stamp set onto a Basic White scrap. Using the Terrific Toadstools Builder Punch, punch the caps out. Set aside until the following step.
- Stamp the toadstool stems from the Terrific Toadstools stamp set onto a Basic White scrap using the Copper Clay and Pecan Pie stamp pad. Using scissors, fussy cut out the stems. Using a drop of liquid glue on the toadstool caps, attach the stems. Using liquid glue attach one of the toadstools to the rectangle on card front with the top of it over the Granny Apple Green circle. Attach the second toadstool using dimensionals.
- Using the Boughs punch, punch out two boughs from a Granny Apple Green scrap. Trim one of the boughs down and attach to the first toadstool on card front using liquid glue. Set the 2nd bough aside.
- Stamp verse from the Happiest Day stamp set onto a Basic White scrap using the Memento stamp pad. Cut out using the 2nd smallest die from the Around It All Dies set. Cut down the 2nd bough from step 8 and attach to the back of this little label. Using dimensionals attach to card front as shown above.
- Tie a bow from the Fresh Freesia Seam Binding and attach to card front using a mini glue dot.
- Attach a couple Sunny Day Dots to card front.
- Using verse from the Happiest Days stamp set and the Memento stamp pad, stamp verse to the Basic White 5-1/2” x 4” card stock. Attach to inside of card and you are now done!!
