Instructions:

1. Score and fold Misty Moonlight 5-1/2” x 8-1/2” at 4-1/4” to form card size of 5-1/2” x 4-1/4”.
2. Attach Basic White 5-1/4” x 4” card stock to card front.
3. Attach the Flight & Airy 5-1/8” x 3-7/8” DSP to card front.
4. Using the “X” die from the Everyday Details Dies set, punch out the Misty Moon Light 1-1/8” x 5-1/8” piece. Attach to card front on the left as shown above.
5. Stamp the large flowers from the Detailed Dogwood stamp set onto the Basic White 3-1/2” x 3-1/2” card stock using the Memento stamp pad. Color in using the above listed Blender Pens or other colors of your choice. Once you’ve done the coloring, cut out using the largest circle die from the Everyday Details Dies set. Attach to card front using dimensionals.
6. Stamp verse from the Wetlands stamp set onto the Basic White 1-1/2” x 2-1/4” piece using the Misty Moonlight stamp pad. Using the 2nd to smallest rectangle die from the Everyday Details Dies set, line up with the verse and cut out, then line up to the verse on the other side and cut to form a smaller label. Attach to the Misty Moonlight 2” x 1-1/4” piece (you may want to measure your BW to ensure this size works for you) using a mixture of regular adhesive and dimensionals as shown above.
7. Stamp the dragonfly from the Detailed Dogwood stamp set onto a Basic White scrap using the Misty Moonlight stamp pad. Then fussy cut out and attach to the Basic White circle on card front using Mini Glue Dots. Attach 3 Tinsel Gems to the dragonfly body as shown above.
8. Attach the Gold Textured Dots to the large flowers and one on the label.
9. Attach the Lost Lagoon 5-1/4” x 4” card stock inside of card.
10. Stamp the small flowers from the Detailed Dogwood stamp set onto the Basic white 5-1/8” x 3-7/8” using the Memento stamp pad. Color in using the above listed Blender Pens or colors of your choice. Attach to inside of card.
11. Attach 3/4” x 3-7/8” Flight & Airy DSP to bottom of Basic White and you are now done!!
