Instructions:

1. Score and fold the Basic White Thick 8-1/2" x 5-1/2" card stock at 4-1/4" on the long side.
2. Using the Softly Falling embossing folder, emboss the front of the card base.
3. Using the large snowflakes die from the Frozen Edges Dies set, cut out the Summer Splash 5-1/2" x 4-1/4" card stock aligning it vertically top to bottom on the 4-1/4" side. Remember, these snowflakes don't punch out completely. Attach to the folded side of the card base, long edge to long edge, using liquid glue and adding a little dab randomly to the snowflakes on the right edge.
4. Using the large snowflake stamp from the Frozen Edges stamp set and the Summer Splash stamp pad, stamp images onto the Basic White 1-5/8" x 5-1/2" card stock covering the entire piece. Attach to the card front approximately 1/4" from the folded edge of the card front.
5. Attach the two Berry Burst Glimmer 1/8" x 5-1/2" pieces to either side of the piece from step 4. Liquid glue makes this a little easier.
6. Stamp the verse from the Gift Wrapped stamp set using the Summer Splash stamp pad onto the Basic White 2-1/2" x 2-1/2" card stock. Cut out using the 2-1/8" circle die from the Spotlight on Nature Dies set (or other circle dies set) cut this piece out.
7. Using the 2-3/8" punch or circle die of the same size, punch out the Berry Burst Glimmer 2-1/2" x 2-1/2" paper. Attach the stamped circle from step 6 onto this piece. Then attach to card front using dimensionals.
8. Cut out the individual snowflakes from the Frozen Edges Dies set from the Summer Splash scraps. Attach to the circle on the card front. Attach Discs to the centers of these snowflakes.
9. Attach the Summer Splash 5-1/4" x 4" card stock to inside of card.
10. Stamp verse from the Dashing Deer stamp set onto the Basic White 5-1/8" x 3-7/8" card stock using the Berry Burst stamp pad. Also stamp the large snowflakes from the Frozen Edges stamp set using the Summer Splash stamp pad onto the bottom of this piece. Attach to inside of card and you are now done!!
