Instructions:

1. Score and fold the Copper Clay 5-1/2” x 8-1/2” at 4-1/4” on the long side.
2. Using the Exposed Brick 3D Embossing Folder, emboss the Copper Clay 5” x 3-3/4” card stock. Using the White Craft stamp pad lightly run the pad over the embossed card stock. Set aside to let dry.
3. Using the 1” square die from the Stylish Shapes dies set, cut out 9 different pieces from the Take to the Skies DSP. Using the above picture, lay out the pieces on the embossed card stock from step 2. OR, lay the pieces out in a way that you would prefer and attach. The last square, cut in half from corner to corner to attach to the top and bottom of card as shown above. You’ll need to trim the edges to line up with the card stock. Next, attach this piece to one of the Boho Blue 5-1/8” x 3-7/8” card stock pieces. Tie a length of the Natural Tones Linen Thread around the card twice then tie into a bow as shown above. Once you’ve done this, attach to card front.
4. Using the 2nd smallest square die, cut out the Basic White scrap. Then diagonally stamp the happy birthday from the Adventurous Sky stamp set using the Copper Clay stamp pad. Attach to the card front using dimensionals as shown above.
5. Stamp the small plane from the Adventurous Sky stamp set onto another Basic White scrap using the Copper Clay stamp pad. Color in as shown above using the Boho Blue marker or colors of your choice. Cut out using the coordinating die from the Adventurous Sky dies set. Attach to the happy birthday label on card front using mini dimensionals. Attach a couple gems to the top of the label and randomly around the card.
6. Attach the second Boho Blue 5-1/8” x 3-7/8” card stock in side of card.
7. Stamp verse of choice onto the Basic White 5” x 3-3/4” card stock using the Copper Clay stamp pad. Attach to inside of card and you are now done!!
