Instructions:

1. Score Fresh Freesia 4-1/4" x 11" on the 11" side at 3/8", 1-7/8", 3-5/8"; 5-1/8" and 5-1/2". Fold card in center at 5-1/2". Then fold on the score line right next to the 5-1/2" fold back toward the fold. Then fold the next two score lines in away from the fold line. The last score line fold back toward the center fold. This creates your bay window.
2. Cut the Meandering Meadow 6" x 6" DSP at 5-1/2" ensuring this is in portrait (design up and down). Next, cut with the 6" side at 4". Once you've done this you'll make the following cuts on the 5-1/2" side at 1/4", 1-1/4", 1-1/2", 1-1/4", 1/4" and 1". Keep these in order. Next, using liquid glue attach these pieces to the card front beginning with the 1/4" piece on the first section. Then follow with the next sections except for the 1" piece.
3. Attach the Basic White 5-1/4" x 4" card stock inside the card. Once you've done this, add liquid glue to the 3/8" section inside card next to the 5-1/2" fold of the card and attach.
4. Next, attach the 1" DSP piece inside the card using dimensionals. Attach the dimensionals 3/8" to the right of the 1" DSP. Tip: Draw a line 3/8" from the left back of the DSP to align the dimensionals. This forms the stopper for the card front.
5. Using the 2nd smallest label die from the Thoughtful Expressions dies set, cut the Fresh Freesia 3" x 1-3/4" card stock. Set aside until next step.
6. Using the smallest label die from the Thoughtful Expressions dies set, cut the Basic White 2-3/4" x 1-1/2" card stock. Stamp verse of choice from the Thoughtful Expressions stamp set. Attach to the label from step 5. Using regular adhesive, attach to the center of the card front as shown above.
7. Cut the Daffodil Delight scrap using the loopy flower from the Thoughtful Expressions Dies set and attach to the label on card front.
8. Attach Purple Fine Shimmer Gems to the flower and label on card front and you are now done!!
