Ink:

Night of Navy Stampin’ Pad

Supplies/Accessories:

Wanted to Say Dies

Pecan Pie & Clear Ribbioned Dots

Stampin’ Dimensionals

Multipurpose Liquid Glue

Stampin’ Cut & Emboss Machine

Paper Trimmer

Instructions:

1. Score the Night of Navy 5-1/2” x 8-1/2” card stock on the 8-1/2” side first at 2-1/8” and then rotate 180° and score on the opposite side at 2-1/8”. Fold these ends toward the middle of the card.
2. Attach one Poppy Parade 2” x 5-3/8” card stock on the left flap of card front and the second piece on the right flap of card front.
3. Attach one Take to the Sky 1-7/8” x 5-1/4” DSP on the left front flap of card front and the second piece on the right flap of card front.
4. Score and fold two of the Night of Navy 3” x 4” card stock pieces on the 3” side at 1-1/2”. Once you’ve done this attach one folded section to a third Night of Navy 3” x 4” card stock piece with ensuring the three outside edges are even (the folded edge will be in the center). Next, take the 2nd Night of Navy folded piece and attach in the same way on the opposite side, folded edge against the first folded edge. Then, attach the fourth Night of Navy 3” x 4” card stock piece and attach over the two folded pieces. All four pieces will have even edges.
5. Attach the Night of Navy 3-1/4” x 4-1/4” card stock over the piece you assembled in Step 4. Then attach the Poppy Parade 3-1/8” x 4-1/8” card stock piece centering over the NoN. Next, attach the Take to the Sky 3” x 4” DSP over the Poppy Parade. This completes the slider mechanism, except to decorate.
6. To decorate the mechanism, using the larger Celebration die from the Wanted to Say Dies set, cut out the Poppy Parade Scrap. Set aside.
7. Attach a piece of Adhesive Sheet to the Basic White scrap and cut out using the smaller Celebrate die from the Wanted to Say Dies set. Remove adhesive and attach to Poppy Parade from Step 6. Using dimensionals attach to mechanism at an angle.
8. Cut out two star clusters from the Daffodil Delight scrap using the die from Wanted to Say Dies set. Using liquid glue attach to the mechanism front as shown above. Then randomly attach some Clear Ribbioned Dots. Set aside until the completion of the next step.
9. Attach Poppy Parade 5-1/4” x 4” card stock to inside of card. Next, stamp verse of choice from The Right Words stamp set using Night of Navy stamp pad. Attach the Take to the Sky 3/4” x 3-7/8” DSP to the bottom of this piece. Attach to inside of card.
10. Slide mechanism down the card and you are now done.
