4. For the card front, right side, fold the Dainty Flowers 2-1/2” x 1” DSP pieces by folding from one corner on the 2-1/2” side and folding the edge to the opposite edge of the 2-1/2” side. Do this to the opposite corner of this piece. Next, fold on the opposite corner that you started with on the first piece and then again on the opposite end of the same piece. Repeat these steps for the next three. There will be 3 of the same folded pieces and 2. Should look like this:

5. Lay the pieces from step 4 on the card front in a chevron pattern. Then attach each piece and the pattern should look like the one above on the card front right.
6. Stamp the Basic White 1-3/4” x 1-7/8” with verse of choice from the Special Moments stamp set using the Mossy Meadow stamp pad. Attach to the Mossy Meadow 1-3/4” x 1” and attach to the left panel of the card front using regular adhesive.
7. Tie a bow from a piece of Baker’s Twine and attach under the label on card front using Mini Glue Dots.
8. Attach the Shimmer Gems to card front.
9. Stamp verse of choice from the Special Moments stamp set onto the Basic White 5-1/4” x 4” card stock using the Mossy Meadow stamp pad. Attach the Dainty Flowers ½” x 5-1/4” DSP to the left side of the basic white and attach to inside of card. You are now done!!
