Instructions:

1. Score and fold Daffodil Delight 4-1/4” x 11” card stock on 11” side at 5-1/2”.
2. Attach one of the Daffodil Delight 4” x 5-1/4” card stocks to the front of the card and one inside.
3. Using the Painted Stripes stamp and the Blueberry Bushel stamp pad stamp one of the Basic White 3-7/8” x 5-1/8” card stocks. Attach to the card front.
4. Using the Peach Pie stamp pad and the large coneflower stamp from the Coneflower Celebrations stamp set, stamp the image on one end of the Daffodil Delight 5-1/2” x 4-1/4” card stock ensuring the petals are pointing to the edge of the 4-1/4” edge. Then using the coordinating die from the Coneflower Celebrations Dies, cut out the flower. This will form a mini folding card. Next, stamp the verse from the same stamp set to the inside of the flower card using the Blueberry Bushel stamp pad. Set aside until the following steps.
5. Cut out the top of the coneflower using the die from the Coneflower Celebrations dies set from the Pecan Pie scrap. Attach this to the top of the coneflower from step 4. Set aside until the following step is completed (again).
6. Stamp the stem and leaves from the Coneflower Celebrations stamp set onto the Lemon Lime Twist scraps using the Granny Apple Green stamp pad. Cut pieces out using the coordinating dies from the Coneflower Celebrations Dies set.
7. Attach the pieces from steps 4-6 to card front as shown above using liquid glue.
8. Stamp happy birthday from the Simply Said stamp pad onto a Basic White scrap using the Blueberry Bushel stamp pad. Trim this piece using the Paper Trimmer just above and below the words. Then using Paper Snips cut the edges at an angle. Attach to card front using dimensionals. Tie a triple bow from the 1/8” ribbon and attach to stem on card front. Randomly attach Starburst Sequins to card front
9. Using the Painted Stripes stamp and Blueberry Bushel stamp pad, stamp image on the bottom of the 2nd Basic White 3-7/8” x 5-1/8” card stock. Then using the same stamp pad, stamp verse from the Heartfelt Hexagon stamp set onto this piece. Attach to inside of card. You are now done!!
