Instructions:

1. Score and fold Crushed Curry 4-1/4” x 11” card stock on the 11” side at 5-1/2”.
2. Attach the Blackberry Bliss 4” x 5-1/4” card stock, one on card front and one inside of card.
3. Cut the Dainty Flowers DSP from the sheet that has the design on two side with a white area in the middle. This will form the best card front. This is where you’ll cut the 3-7/8” x 5-1/8” section from, ensuring you have the two tall daisies as shown above. Attach this piece to the card front.
4. From Crushed Curry scraps, cut the two daisies (one is a full daisy and the other a half daisy) using the Dainty Delight Dies set. Attach these two pieces over the coordinating daisies on the card front as shown above.
5. Cut from an Early Espresso scrap using the daisy centers dies from the Dainty Delight Dies set. Attach one each to the daisies on the card front as shown above.
6. On the Dainty Flowers scrap (white section) stamp the verse from the Go To Greetings stamp set using the Blackberry Bliss stamp pad. Cut out using the smallest (I double checked) diamond shape die from the Nested Essentials Dies set. Attach to a Crushed Curry scrap. Then using your Paper Trimmer, trim the edges of the Crushed Curry about 1/8” around the diamond shape. Attach to card front using dimensionals.
7. Tie a bow, or knot, in a length of the Fresh Freesia Ribbon and attach to the label on card front using a mini glue dot.
8. Attach a Shimmer Gem on the label and then several Brushed Brass Butterflies on the card front.
9. Stamp verse from the Thought Expressions stamp set onto the Basic White 3-7/8” x 5-1/8” card stock using the Blackberry Bliss stamp pad. Attach to inside of card and you are now done!!
