2. Emboss the Basic White 3-5/8" x 1-7/8" card stock using the Country Floral EF. Attach to the bottom one of the Azure Afternoon 5" x 3-3/4", allowing 1/8" border around all 3 bottom edges.
3. Using the Paper Trimmer, cut the Flight & Airy 3" x 3-3/8" DSP at 1-1/8" and again at 1-1/8" on the short side. This piece should be in portrait view. Attach evenly just above the embossed Basic White card stock on the Azure Afternoon piece. Next, attach a length of ribbon around the "seam" of the pieces on the Azure Afternoon. Then attach to card front.
4. Using the Happy Birthday verse from the Very Best Occasions stamp set, stamp the Basic White scrap with the Memento stamp pad. Cut out using the smallest flower die from the Thoughtful Expressions Dies set. Then, using the second smallest flower die and cut out the Azure Afternoon scrap. Attach these pieces together. Attach to the card front over the ribbon toward the right using dimensionals.
5. Tie a bow in a second length of ribbon over the ribbon on card front. Set in place using a mini glue dot.
6. Attach a couple Sparkle Dots to the label on card front.
7. Attach the second Azure Afternoon 5" x 3-3/4" card stock to the inside of the card.
8. Stamp verse from the Very Best Occasions stamp set onto the Basic White 3-5/8" x 4-7/8" card stock using the Memento stamp pad. Then attach the Flight & Airy 3-5/8" x 3/4" DSP to the bottom of this piece. Attach to inside of card and you are now done!!
