Instructions:

1. Score and fold the Basic White Thick 8-1/2” x 5-1/2” card stock at 4-1/4” on the long side.
2. Attach one Daffodil Delight 5-1/4” x 4” card stock to card front and one to inside of card.
3. Using the rectangle with flowers die from the Fragrant Layers Dies set, cut out the center of one of the Basic White 5-1/8” x 3-7/8” card stock. Set aside until next step.
4. Using the less full flowers die from the Fragrant Layers Dies set, cut out the Summer Splash 3-3/4” x 2-3/4”. Using dauber of choice and liquid glue, dab glue onto the back of the flowers from step 3. Then attach the Summer Splash die piece. Set aside until next step.
5. Using the 3 leaf dies from the Fragrant Layers Dies set, cut out all 3 from the Granny Apple Green scraps. Using dauber of choice and liquid glue, daub glue onto the 3 leaves on the back of the Basic White flowers as you did for step 4. Once they are attached stamp the Just a Note onto the bottom of the Basic White as shown above. Then attach to card front.
6. Attach several ladybugs to card front as shown above.
7. Using the Summer Splash stamp pad, stamp flower from the Fragrant Layers stamp set onto the bottom of the second Basic White 5-1/8” x 3-7/8” card stock. Then stamp leaf of choice using the Granny Apple Green stamp pad. Next, stamp the Hello from the Fragrant Layers stamp set on the bottom, next to the flower, using the Memento stamp pad. I then used the journaling pen to add 3 dots next to the Hello. Attach to inside of card and you are now done!!
