Instructions:

1. Score and fold the Basic Black 5-1/2” x 8-1/2” card stock on long side at 4-1/4”.
2. Attach one Daffodil Delight 5-1/4” x 4” card stock to card front and one to inside of card.
3. Attach one Poppy Parade 5-1/8” x 3-7/8” card stock to card front and one to inside of card.
4. Using the large gears die and smaller 3-gear die from the Garage Gears Thinlits, cut out the Basic White 5” x 3-3/4” card stock. Next, using the Exposed Brick 3D EF, emboss the BW the gears were cut from. Attach this piece to the card front using liquid glue. Next, attach the gears back into the cutouts using liquid glue.
5. Stamp the car image from the Geared Up Garage stamp set onto a BW scrap using the Memento stamp pad. Then color in using the above listed Blender Pens or colors of your choice. Cut out using the coordinating thinlit from the Garage Gears Thinlits set. Attach to card front using dimensionals as shown above.
6. Stamp verse from the Geared Up Garage stamp set onto another BW scrap using the Memento stamp pad. Cut out using the smallest rectangle die from the Everyday Details Dies set. Attach to the Daffodil Delight 2-3/8” x 15/16” card stock. Next, using the largest label die from the Stylish Shapes dies set, cut out the Basic Black scrap. Cut again to make it smaller so that it fits the DD/BW labels. Attach all these pieces and attach to card front using dimensionals.
7. Randomly attach Glossy Dots to card front.
8. Stamp the verses from the Geared Up Garage and Special Moments stamp sets using the Memento stamp pad onto the second Basic White 5” x 3-3/4” card stock. Next, stamp the “glob” image over the verses, stamping off once first. Now you are done!!
