1. Score and fold the Basic White Thick 5-1/2” x 8-1/2” card stock on the long side at 4-1/4”.
2. Attach one Bubble Bath 5-3/8” x 4-1/8” card stock to the front of the card and one to the inside of the card.
3. Using the Scoring Tool, score one of the 5-1/4” x 4” card stock starting on the left side at 1/4” and then three more time at 1/4” intervals. Then rotate clockwise and score the bottom starting at 1/4” and then three more times at 1/4” intervals. Next, flip this piece over and the lined embossing should be on the right side and bottom as shown above. Using the tree from the Happy Hedgehogs stamp set and the Early Espresso stamp pad, stamp image onto the left side of this piece just above the top embossing line as shown above. Color in using the above listed markers or colors of your own choice. Then attach to the card front.
4. Stamp the butterfly, bird and mushroom from the Happy Hedgehogs stamp set onto Basic White scraps using the Memento stamp pad. Color in using the above listed markers or colors of your own choosing.
5. Punch the butterfly out using the 1-1/4” circle from the Stylish Shapes Dies set. Next, punch the bird and mushroom using the 1-5/8” circle for each from the Stylish Shapes Dies set. Set aside until next step.
6. Punch one circle from the Highland Heather scrap using the 1-3/8” circle from the Stitched Shapes Framelits set and attach the butterfly to this piece. Next, cut a circle from the Timid Tiger and Summer Splash scraps using the 1-7/8” circle for each from the Stitched Shapes Framelits set. Attach the bird and mushroom to these pieces. Attach the mushroom to the card first using regular adhesive. Before attaching the bird, stamp the hello from the Snailed It stamp set, or other set. Then attach the bird/verse using dimensionals. Last, attach the butterfly using regular adhesive.
7. Randomly attach several colors of the Frosted Everyday Dots.
8. Using the Scoring Tool, score the second Basic White 5-1/4” x 4” card stock on the bottom only. Start at the 1/4” mark and then 3 more time at 1/4” intervals. Flip this piece over.
9. Stamp the mushroom just above the top embossed line and then stamp the butterfly. Color in using above listed markers or those you prefer. Attach to inside of card and you are now done!!
