### **Supplies/Accessories:**

Lovely Arrangements Dies  
Sparkle Dot Essentials  
White 1/4” Ribbon  
Multipurpose Liquid Glue  
Stampin’ Dimensionals  
Stampin’ Cut & Emboss Machine

### Instructions:

1. Score and fold the Secret Sea 5-1/2” x 8-1/2” card stock on the long side at 4-1/4”.
2. Attach one Peach Pie 5-1/4” x 4” card stock to the front of the card and one to the inside of the card.
3. Attach the Beautiful Gallery 5-1/8” x 3-7/8” DSP to card front.
4. Attach the 3-7/8” x 2-3/4” Vellum to the center of card front using a couple dots of liquid glue to areas that would be covered by the design on top.
5. Using the circles die from the Lovely Arrangements Dies set, cut out the Calypso Coral 3-7/8” x 2-3/4” card stock. Attach to the center of the Vellum on card front using dimensionals.
6. Using some regular adhesive, add to the Calypso Coral and then attach the ribbon in a zig zag fashion as shown above so that it looks like a bow.
7. Stamp leaves from the Lovely Arrangements stamp pad onto a Basic White scrap using the Old Olive stamp pad. Then using the coordinating dies from the Lovely Arrangements Dies set cut the leaves out. Attach to the card front to the left and right of the “bow”.
8. Stamp the Lost Lagoon scrap using a flower from the Lovely Arrangements stamp set and the VersaMark stamp pad. Then heat emboss using the White embossing powder. Cut out using the coordinating flower die from the Lovely Arrangements Dies set. Attach over the ribbon and leaves using dimensionals.
9. Using the Happy Birthday stamp from the Lovely Arrangements stamp set and the Secret Sea stamp pad, stamp a Basic White scrap. Cut out using the label die from the Lovely Arrangements Dies set. I did it twice to fit the verse, totally optional. Attach to card front using dimensionals.
10. Attach a couple Sparkle Dots to the Calypso Coral.
11. Stamp verse from the Lovely Arrangements stamp set onto the 5-1/8” x 3-7/8” card stock using the Secret Sea stamp pad. Attach the Beautiful Gallery 3-7/8” x 3/4” DSP to the bottom of this piece. Attach to inside of card and you are now done!!
