Instructions:

1. Score and fold the Pretty in Pink 5-1/2” x 8-1/2” card stock on the long side at 4-1/4”.
2. Attach one of the Night of Navy 5-1/4” x 4” card stocks to the front of the card base.
3. With the Dotted Circles EF closed, lay the Pretty in Pink 5-1/8” x 3-7/8” card stock where you would like to cut your circle. This helps with lining up the circle die. Lay the 2-1/2” circle die from Stylish Shapes Dies set over the area on the card stock, lining up with EF circles. Using Post It Tape, tape onto card stock and die cut. Once you’ve done this, lay the card stock inside of the EF lining up where you cut the circle and emboss. Attach to the Night of Navy on card front.
4. With the large solid flower die from the Poppy Moments Dies set, cut out the Lemon Lolly scrap. Then using the coordinating outline die, cut out the Daffodil Delight scrap. Add liquid glue using your dauber to the outline piece and attach to the solid piece. Do the same for the leaves with the Lemon Lime Twist and Granny Apple Green scraps. Please note, I did two leaves where I attached the outline die to the opposite side you cut so that these leaves curved in different directions. Using liquid glue, attach the leaves to the flower. Then using dimensionals attach over the circle as desired, leaving some NN showing.
5. Using the stamin center die for the flower, cut out the Granny Apple Green Scrap. Attach to center of flower.
6. Attach a couple of the Sparkle Dots to the card front as shown above. Attach a Ladybug to the flower if desired.
7. Stamp the Happy Birthday onto a basic white scrap using the Night of Navy stamp pad. Cut out using the 1-1/2” x 1-1/2” square die from the Stylish Shapes Dies set. I then cut again to make the label smaller to fit the verse. Totally optional.
8. Stamp the verse from Peaceful Moments onto the Basic White 5-1/8” x 3-7/8” card stock using the Night of Navy stamp pad. Then attach to the Night of Navy 5-1/4” x 4” card stock. Using the small solid flower die from the Poppy Moments dies set, cut one of the bottom corners out. Attach to inside of card. Then using the outline die coordinating with this flower, cut out the Strawberry Slush scrap. Using liquid glue and your dauber add to outline and attach to the inside of the flower. Cut out the small stamin from the Lemon Lime Twist scrap and attach to the center of this flower. You are now done!!
