Instructions:

1. Score and fold Daffodil Delight 5-1/2” x 8-1/2” card stock at 4-1/4” on the long side.
2. Attach the five Fruit Salad 7/8” x 3-3/8” DSP pieces evenly onto the Basic Black 4-5/8” x 3-1/2”. Attach to the card front, centering, using dimensionals.
3. Using the larger Sending die from the Sending Dies set, cut out a Basic Black scrap. Attach a piece of Adhesive Sheet to a Basic White scrap. Then cut out using the smaller, detailed Sending die. Peel off adhesive and attach to the Basic Black Sending piece. Attach at an angle to the card front as shown above using dimensionals.
4. Stamp verse of choice from the Sending Smiles stamp set onto a Basic White scrap using the Memento stamp pad. Cut out using one of the thin label dies from the Sending Dies set. Attach to card front using mini dimensionals.
5. From the Sending Smiles stamp set, stamp a few small flowers using the above listed stamp pads or colors of choice. Cut each flower out using the coordinating die from the Sending Dies set. Attach to card front as desired. Attach a Disc to each flower center.
6. Attach the Basic Black 5-1/4” x 4” card stock to inside of card.
7. Stamp verse from Heartfelt Hexagon or other stamp set onto the Basic White 5-1/8” x 3-7/8” card stock using the Memento stamp pad. If desired stamp a few flowers around the verse. Attach to inside of card and you are now done!!
