Ladybug Picnic 3D Embossing Folder

2-3/8" Circle Punch

Ladybug Garden Epoxy Shapes

Stampin' Dimensionals

Multipurpose Liquid Glue

Stampin' Cut & Emboss Machine

Instructions:

1. Score the Basic White 11-3/4" x 5-1/2" card stock on the long side at 1-1/2", 4-1/2" and 7-1/2". Fold into a mountain fold.
2. Attach the Daffodil Delight 5-3/8" x 1-3/8" card stock to the front fold.
3. Attach the Daffodil Delight 5-3/8" x 2-7/8" card stock to the second fold.
4. Attach the Daffodil Delight 5-3/8" x 4-1/8" card stock to the inside back.
5. Using the Ladybug Picnic 3D EF, emboss the Basic White 5-1/4" x 1-1/4" card stock. Attach to the front fold of the card.
6. Attach the Cute as a Bug 5-1/4" x 2-3/4" DSP to the second fold of the card.
7. Stamp the Basic White 5-1/4" x 2-3/4" using the verse from the Happiest Day stamp set and the Blackberry Bliss stamp pad. Attach to the inside, left side of card. Next, attach the Cute as a bug 5-1/4" x 1-1/4" DSP to the right of this.
8. Using the 2-3/4" circle die from the Spotlight on Nature dies set, cut out the Daffodil Delight 3" x 3" card stock. Set aside until folding step.
9. Using the Poppy Parade stamp pad, stamp the "hello" circle image from the A Round of Hellos stamp set onto the Basic White 2-1/2" x 2-1/2" card stock. Then stamp the Happy and Birthday from the Reason to Celebrate stamp set onto the center of the circle using the Blackberry Bliss stamp pad. Cut out using the 2-3/8" Circle Punch. Attach to circle from step 8. Next, attach a couple dimensionals to the left of the circle and attach to the front fold of card as shown above.
10. Using the Sweet Bugs Dies set, cut out the coordinating images from the Cute as a Bug DSP and attach as shown above or however you'd like. I used dimensionals on the front of the card and the remainder I used regular adhesive or liquid glue.
11. Last, attach the Ladybugs wherever you'd like and however many you'd like and you are now done!!
