### **Instructions:**

1. Score and fold the Basic White Thick 5-1/2” x 8-1/2” on the long side at 4-1/4”.
2. Using the Distressed Tile 3D EF, emboss one of the Basic White 5-1/8’ x 3-7/8” card stocks. Attach to the one of the Blackberry Bliss 5-1/4” x 4” card stocks. Set aside until the following steps are complete.
3. Using the floral dies from the Timeless Arrangements Dies set, cut out two of each color scraps listed above, or colors of your choice, with the exception of the two green scraps. Using liquid glue, glue one of each of the flower colors together by the straight edges. Do for the second set of colors. Set aside until next step.
4. From the Timeless Arrangements Dies set, cut out two of the Mossy Meadow scraps and two of the Granny Apple Green scraps using the leaf die. Then glue one of each color to the flowers from step 3. Set aside until the next step.
5. Using the large label die from the Timeless Arrangements Dies set cut out a Basic White scrap. Then stamp the verse from the Timeless Arrangements stamp set using the Blackberry Bliss stamp pad. This step is a little backward from what we usually do, but it worked best in this instance. Now, attach the flower/leaf pieces from step 4 to the long sides of the label using liquid glue as shown above. Attach a few dimensionals down the center back of the label. Attach to the piece from step 2.
6. Attach a length of the ribbon under the floral piece. Attach to card front. Then tie a bow onto the ribbon on card front.
7. Attach a few of the Shimmer Gems onto the label as shown above.
8. Stamp verse from the 2026 Virtual Card Making stamp set or birthday greeting of choice to the second Basic White 5-1/8” x 3-7/8” card stock. Attach to the second Blackberry Bliss card stock and attach to inside of card. You are now done!!
