Instructions:

1. Score and fold the 6-3/8” x 5-1/2” card stock on the long side at 2-1/8”.
2. Attach the Early Espresso card stock pieces, 5-1/4” x 4” and the two 5-1/4” x 1-7/8”, to the inside of card and both the inside and outside of the side panels.
3. Attach the He’s The Man 5-1/8” x 3-7/8” and 5-1/8” x 1-3/4” DSP pieces to the inside of card and one to side panel, inside. Save the 2nd He’s The Man 5-1/8” x 3-7/8” DSP piece until step 6.
4. Score and fold the Basic Beige 6” x 4-1/4” card stock on the long side at 3”.
5. Attach one Cajun Craze 4” x 2-3/4” card stock to the inside of the piece from step 4. Remember, this will be folded on the right side as you assemble. Stamp verse from the Scalloped Blooms to the Basic Beige 3-7/8” x 2-5/8” using the Cajun Craze stamp pad. Attach to the inside.
6. Using a mini glue dot, attach a magnet to the outside of the Basic Beige from steps 4 & 5. Then attach the Cajun Craze 4” x 2-3/4” card stock over the magnet. Then attach the He’s The Man 3-7/8” x 2-5/8” to the Cajun Craze. Let the 2nd magnet naturally attach to the magnet to the inside of the Basic Beige where the first magnet was placed. Then attach a glue dot to the back of this magnet and close the card. Open and the magnet should be in the perfect spot. Next, attach the 2nd He’s The Man 5-1/8” x 1-3/4” DSP to this panel, covering the magnet.
7. Using verse from the Brewed For You stamp set, stamp onto the Cajun Craze 2-5/8” x 3/4” card stock using VersaMark. Then heat emboss using the white embossing powder. Attach to the bottom of the small card as shown above.
8. Using the Memento stamp pad, stamp two beer stein images from the Brewed For You stamp set onto Basic White scraps. Using the two dies from the Brewed dies set, cut out both steins. Then cut two of the “beers” from the same dies set from the Crushed Curry scrap. Attach this piece to the back of the steins using liquid glue. Set aside until step 9.
9. Stamp two “beer foams” from the Brewed For You stamp set onto Basic White scraps using the Crushed Curry stamp pad. Cut out using the coordinating Brewed Dies. Attach to the two steins from step 8. Attach one stein to the card front using regular adhesive and the other using dimensionals.
10. Randomly attach the Textured Dots to card front and you are now done!!
