Instructions:

1. Score and fold the Daffodil Delight 11" x 4-1/4" on the long side at 5-1/2".
2. Attach the Basic White 5-1/4" x 4" card stock to card front.
3. Attach the Beautiful Bokeh 5-1/8" x 3-7/8" DSP to card front.
4. Using the 2-1/8" x 4-1/4" label die from the Everyday Essentials dies set, cut the Basic White 5-1/4" x 3" card stock. Attach to the Blueberry Bushel 5-1/4" x 3" and using the Paper Trimmer or scissors, trim around the Basic White approximately 1/8" around all sides. Then, using the Happy Birthday stamp from the Cutest Crew Stamp set and Memento stamp pad, stamp image to the upper part of the diamond as shown above. Attach to upper part of card front using regular adhesive.
5. Using the Memento stamp pad and stamp of choice from the Cutest Crew stamp set, stamp a Basic White scrap. Color in using the above listed markers or colors of your choosing. Cut out using the coordinating die from the Cutest Crew dies set. Attach to the diamond shape on card front using dimensionals.
6. Cut out the Blueberry Bushel 3-7/8" x 3/4" card stock using the paws die from the Cutest Crew dies set. Attach to bottom part of card front using regular adhesive as shown above.
7. Tie a triple bow into a length of the Blueberry Bushel 1/8" ribbon and attach to label on card front using a mini dimensional. Then attach a Dot to the label.
8. Score the Daffodil Delight 11" x 1" on the long side at 3/4", 5-3/8", 7-1/8", 7-5/8" and 9-1/4". Add adhesive to the under side of this piece, the larger fold at the end of the strip. Attach to the center, long side, of the Daffodil Delight 2-1/4" x 4-1/4" card stock. I measured the center to be 1-5/8" top and bottom. Once you've done this, attach the 2-1/4" x 4-1/4", short side up, to the center of inside of card. I measured the center at 1-3/4" left and right. Then wrap the 11" back to the right and slide under the 2-1/4" x 4-1/4" piece. Then, add adhesive to the 1/4" section of the strip, face up. Put this end up against the center of the card fold and close card. Give it a good rub to be sure it sticks well. Open card and the mechanism will work. Before finishing this step, complete the next step.
9. Attach the two Beautiful Bokeh 5-1/2" x 1-1/2" DSP to the top and bottom to cover the mechanism.
10. Cut the Basic White 3" x 3" using the 2-3/8" x 2-3/8" square from the Stylish Shapes Dies set. Then, stamp the verse from the Cutest Crew stamp set onto the lower part of the square as shown above. Attach to the Blueberry Bushel 2-1/2" x 2-1/2" card stock. Then attach to the center of the pop-up mechanism as shown above.
11. Stamp image of choice from the Cutest Crew stamp set onto another Basic White scrap using the Memento stamp pad. Color in using the markers listed above or colors of choice. Cut out using the coordinating die from the Cutest Crew Dies set. Using regular adhesive attach to the square as shown above.
12. Add a couple Dots to the square and you are now done!!
