Blender Pen

Supplies/Accessories:

Gallery Blooms Dies
Stylish Shapes Dies
Lovely Stripes Embossing Folder
Pearlized Faceted Circles
Gold Striped 3/8" Mesh Ribbon
Stampin' Dimensionals
Stampin' Cut & Emboss Machine

Instructions:

1. Score and fold the 11" x 4-1/4" card stock on the long side at 5-1/2".
2. Using the Lovely Stripes EF, emboss the Basic White 5-1/2" x 4-1/8" card stock. Attach to card front.
3. Using the frame die from the Gallery Blooms dies set and cut out the Early Espresso 5-1/2" x 4-1/4" card stock. Set aside the center and outside frame for another project. Using the middle part of the frame, attach to the Petal Pink 4-1/2" x 2-3/4" card stock. Next, using the same frame die, cut out the Brushed with Beauty 4" x 2-1/2" DSP. You'll only cut out the center of the die. Then attach this to the center of the Early Espresso frame. Next, attach a length of the Gold Striped ribbon around the center of this piece. Attach to card front, centering, using dimensionals.
4. Using the Early Espresso stamp pad, stamp the large peony flower from the Gallery Blooms stamp set onto the Basic White 4-1/2" x 3" card stock. Color using the Watercolor Pencils and blend using the Blender Pen. Cut out using the coordinating die from the Gallery Blooms Dies set. Attach to frame on card front using dimensionals.
5. Stamp Happy Birthday from the Rolling Waves stamp set onto a Basic White scrap using the Early Espresso stamp pad. Cut out using the 2nd largest label die from the Stylish Shapes Dies set. Attach to frame on card front over the stems of the flower using dimensionals.
6. Tie a bow to the ribbon already on card front.
7. Randomly attach Pearlized Faceted Circles to card front.
8. Stamp verse from the Hooray for Surprises onto the Basic White 5-1/8" x 3-7/8" card stock using the Early Espresso stamp pad. Then stamp a couple small flowers from the Gallery Blooms stamp set to the bottom of this piece using the Petal Pink stamp pad. Attach to the Early Espresso 5-1/4" x 4" card stock and attach to inside of card. You are now done!!
