White 1/2” Iridescent Ribbon

Iridescent Faceted Gems

Stampin’ Dimensionals

Small Stampin’ Dimensionals

Mini Glue Dots

Multipurpose Liquid Glue

Stampin’ Cut & Emboss Machine

Instructions:

1. Score & fold Blueberry Bushel/Night of Navy 5-1/2” x 8-1/2” card stock on the long side at 4-1/4”.
2. Using numbers from the Large Numbers Framelits, line up onto the Real Red/Golden Glow 5-1/8” x 3-7/8” card stocks. You’ll need to leave room to cut out the number 2 a second time. Once you’ve done this, lay out these pieces (Real Red on Lazy Daisy EF and Golden Glow on Ladybug Picnic EF). Also, include the pieces from the centers of the “0” and the “6” as you want these embossed as well. Next, glue these pieces to the two Basic White 5-1/4” x 4” card stocks. Then, glue the centers in the “0” and “6” (line up by placing the numbers back into the areas that were cut). Using small dimensionals, attach the numbers onto the number spaces you cut out. After you do this, cut out the White Glimmer Paper with the same numbers, two each, and glue these numbers over the Real Red and the Golden Glow numbers.
3. Attach a length of ribbon under the numbers as shown above. Attach this piece to card front. Then tie a bow onto the ribbon you just attached. If desired, add a mini glue dot under the bow.
4. Stamp the Basic White scraps using the Blueberry Bushel/Night of Navy stamp pads using the Happy Graduation from the Scalloped Wishes stamp set. Cut these out using the plain oval part of the Double Oval punch. Then cut out the scalloped oval from the Blueberry Bushel/Night of Navy scraps. Attach each of the Basic White ovals onto the two scalloped ovals. Attach these to the card front over the ribbon using dimensionals.
5. Randomly add the Gems to card front.
6. Stamp verse from the Scalloped Wishes stamp set onto the two Basic White 5-1/4” x 4” card stocks using the Blueberry Bushel/Night of Navy stamp pads. Attach to the Real Red/Golden Glow 5-1/8” x 3-7/8” card stocks. Attach to inside of cards and you are now done!!
