 Dark Peaceful Pine
 Dark Golden Glow
 Light Smoky Slate

Supplies/Accessories:

Fern & Flora Dies
 Dreamy Flowers Embellishments
 Stampin' Dimensionals
 Stampin' Cut & Emboss Machine
 Paper Trimmer

Instructions:

1. Score and fold the Basic White Thick 11" x 4-1/4" on the long side at 5-1/2".
2. Attach one of the Moonlit Flora 5-1/4" x 4" DSP pieces to the card front.
3. Using a pencil, make a tick mark at the center of the short side of the Basic White Thick 5-1/2" x 4-1/4" which is 2-1/8". Using the Paper Trimmer, cut from the tick mark to the left upper corner. Repeat this step to the upper right corner. Set aside until next step.
4. Using a pencil, make a tick mark on the short side at the center of the Moonlit Flora 5-1/4" x 4" DSP which is 2". Again, using the Paper Trimmer, cut from the tick mark to the left upper corner of the DSP. Repeat this step cutting to the right upper corner. Attach these pieces to the cut pieces from step 3. Then attach the center "V" section to the card front lining up to the upper right and left corners using regular adhesive.
5. For the last two sections from step 4, line one up, tip to upper corner of card front. Next, lay the second section over the first section, tip to upper corner opposite of first corner. Use a piece of removable adhesive such as Post-It Tape to hold these two sections together. Flip this piece over and attach dimensionals across the back. Remove backings and attach to the card front ensuring each corner is lined up. See above diagram for the exact placement.
6. Stamp 3 butterflies and the small flowers from the Fern & Flora stamp set onto a Basic White scrap using the Basic Black stamp pad. Color them using the Blender Pens listed above or colors of choice. Cut out using the coordinating dies from the Fern & Flora Dies set. Set aside until the following steps.
7. Cut out a fern from the Basic White and Peaceful Pines scraps using dies from the Fern & Flora Dies set. Then cut out a different fern from the Soft Sea Foam scrap. Arrange the ferns as desired and attach to the center of the card front as shown above. Then attach the butterflies and flowers from step 6 over the ferns. Only one butterfly is popped up.
8. Using the label image from the Fern & Flora stamp set, stamp image onto a Basic White scrap using the Peaceful Pine stamp pad. Then using the Happy Birthday stamp from the Exciting Times stamp set and Basic Black stamp pad, tape off the other words on the stamp, ink up image, remove adhesive and stamp image into the center of the label. Cut out using the coordinating die from the Fern & Flora Dies set. Using dimensionals on both sides of the label attach over the ferns and flowers on card front as shown above.
9. Randomly attach embellishments to card front.
10. Attach the Berry Burst 5-1/4" x 4" card stock to inside of card.
11. Stamp verse from the Scalloped Blooms stamp set onto the Basic White 5-1/8" x 3-7/8" card stock using the Peaceful Pines stamp pad. Then attach the Moonlit Flora 3-7/8" x 5/8" DSP to the bottom of this piece. Attach to inside of card. You are now done!!
