 2026-2027 In Color Dots
 Stampin' Dimensionals
 Multipurpose Liquid Glue
 Stampin' Cut & Emboss Machine

Instructions:

1. Score and fold the Basic White Thick 8-1/2" x 5-1/2" card stock on the long side at 4-1/4".
2. Attach one Gorgeous Grape 5-1/4" x 4" card stock to the card front and one to the inside of the card.
3. Attach the Violet Dreams 5-1/8" x 3-7/8" DSP to card front.
4. Using the scallop oval stamp from the Framed Violets stamp set and stamp image onto the Basic White 4-1/2" x 3-1/2" card stock using the Gorgeous Grape stamp pad. Using the coordinating die from the Framed Violets Dies set, cut this oval out. Set aside until next step.
5. Using the plain oval die from the Framed Violets Dies set, cut out the Violet Dreams 3-3/4" x 1-3/4" DSP. Attach to the center of the scallop oval from step 4. Attach to the card front using dimensionals.
7. Stamp the violet stem from the Framed Violets stamp set onto a Basic White scrap using the Memento stamp pad. Color in using the above listed Blender Pens. Cut out using the coordinating die from the Framed Violets Dies set. Set aside until the next step.
8. Using the dies from the Framed Violets Dies set, cut out 2 leaves from Peaceful Pine scraps and 2 flowers from the Hydrangea Hue scraps. Stamp the 2 stems from the Framed Violets stamp set onto the center of the oval on card front using the Peaceful Pine stamp pad overlapping them a bit. Then using dimensionals, attach the Violets stem from step 7 over the Peaceful Pine stems on card front. Last, attach the leaves and flower tops as shown above.
9. Attach a couple Adhesive Backed Blooms to the oval. Then attach the Dots to the center of the flowers.
10. Stamp verse from the Framed Violets stamp set onto a Basic White Scrap. Cut out using a die from the Sweet Words & Labels Dies set. Attach to card front as shown above using dimensionals.
11. Stamp desired verse from the Scalloped Blooms stamp set onto the Basic White 5-1/8" x 3-7/8" card stock using the Memento stamp pad. Stamp violet from same stamp set if desired. Attach to inside of card. You are now done!!
