Shimmering Dots
Christmas Epoxy Shapes
Multicolor Christmas Baker's Twine
Stampin' Dimensionals
Tape Runner
Multipurpose Liquid Glue
Stamin' Cut & Emboss Machine
Stampin' Detail Scissors
#2 Pencil
Ruler

Instructions:

1. Score the Real Red 11" x 4-1/4" card stock on the long side at 4-1/4" and 5-1/2". Fold in half on the 5-1/2" score line. Then fold in the opposite direction at the 4-1/4".

2. Attach the A Stitched Season 4-1/8" x 1-1/8" DSP to the left section of card front.

3. Attach the A Stitched Season 4-1/8" x 4-1/4" DSP to the right section of the card front.

4. Attach a length of the Baker's Twine to the 1-1/4" section of the card and attach to the inside of card. Then add adhesive to the inside of the card at the 1-1/4" section and adhere. This will form the book fold. Tie a 2nd section of the Baker's Twine on the twine on the card front to form a bow.

5. Using a pencil and ruler, make an "X" corner to corner on the Basic White 3" x 3" card stock. Next, take the one A Little Christmas 6" x ½" DSP and the three A Stitched Season 6" x ½" DSP pieces and start by laying one of the strips against one of the pencil lines. Add a little adhesive toward the top of each strip as you add them to secure them as you're going to weave them in the middle. Add the next strip against the first strip. Attach a 3rd strip on the other diagonal line as you did the first strip, against the pencil line. Add the 4th strip against the 3rd strip. Now you'll weave these four pieces. Once you've woven these pieces, add some liquid glue at the loose ends and secure firmly. Using the scissors cut the excess strips even with the 3" x 3" card stock.

6. Attach the A Stitched Season ¾" x ¾" DSP pieces to the 4 corners of the 3" x 3" piece from step 5. See above for placement. Once you've done this, emboss with embossing folder of choice. This will give a quilt effect. Attach to the Real Red 3-1/8" x 3-1/8" card stock. Attach this piece to the Basic White 3-1/4" x 3-1/4" card stock. Attach to card front with dimensionals, centering.

7. Using the Merry Christmas from the Dreamy Snowflakes stamp set and Real Red stamp pad, stamp onto a piece of Basic White card stock. Cut out using the label die from the Dreamy Snowflakes Dies set. Attach to center of the square on card front using dimensionals.

8. Attach Shimmering Dots to the label and randomly on the left of card as shown above.

9. Stamp verse from the Dreamy Snowflakes stamp set onto the Basic White 4-1/8" x 4-1/8" card stock using the Old Olive stamp pad. Next, using the octagon stamp from the same stamp set, stamp image around the verse using the Real Red stamp pad. Attach this piece to inside of card and you are now done!!
