Instructions:

1. Score and fold the Pretty Peacock 11" x 4-1/4" on the long side at 2-3/4" and 5-1/2" to form Z fold.

2. Score & fold the Pretty Peacock 11" x 1-1/4" on the long side at 2-3/4" and 5-1/2" (yes, this one too) to form Z fold. Invert this so that the 5-1/2" side is opposite the 5-1/2" section on card base. Using adhesive of choice, attach this end over the 2-3/4" section on card front, about ½" from bottom of card base. Do NOT attach the other end of strip. Next, attach one of the Poppy Parade 4" x 2-1/2" card stocks over the strip, centering on the 2-3/4" x 4-1/4" front section. Then attach one of the Whispering Woods 3-7/8" x 2-3/8" DSP over the Real Red.

3. Attach the second Poppy Parade 4" x 2-1/2" card stocks to the second 2-3/4" x 4" section. Attach the second Whispering Woods 3-7/8" x 2-3/8" DSP over the Poppy Parade.

4. Attach Poppy Parade 5-1/4" x 4" to the next section. Then attach the Whispering Woods 5-1/8" x 3-7/8" over the Poppy Parade.

5. Attach the Poppy Parade 2-3/4" x 1-1/8" card stock to the 1-1/8" strip on the first section, to right of card front. Then attach the Whisper Woods 2-5/8" x 1" DSP over this piece.

6. Attach the two Poppy Parade 2-5/8" x 1-1/8" pieces to the next two sections on the 1-1/8" strip. Then attach the Whispering Woods 2-1/2" x 1" DSP pieces over these sections.

7. Stamp the Merry Christmas from the Perfectly Plaid stamp set using Poppy Parade stamp pad onto a piece of Basic White. Cut out label using the 2-3/4" x 1-3/8" die from the Everyday Details Dies set. Cut the label twice to fit the verse. Attach to the Poppy Parade 2-1/4" x 1-3/8" card stock. If any PP shows around the edges just trim off. Attach to the card front panel using dimensionals as shown above. Attach the Christmas Berries to the label.

8. Stamp the Christmas Crew figures onto Basic White card stock using the Memento stamp pad, to include the Santa hat. Color in using the above listed Blender Pens or colors of your choosing. Once colored, die cut using the coordinating dies from the Christmas Crew Dies set. Be sure to stamp the verses from the same stamp set onto the signs the Crew is holding. Then, cut each character again from Pretty Peacock card stock, to include the Santa hat. Using liquid glue, attach to the back of the Crew you colored. Using liquid glue, attach each character to each section of the 1-1/4" strip. Embellish each character using the above listed embellishments or embellishments of your choosing. Once this is done, using liquid glue, attach the right section of the 1-1/4" strip to the card base, lining the edge of the strip with the outside edge of the card.

9. Attach the second Poppy Parade 5-1/4" x 4" card stock to the back of the card.

10. Stamp the Basic White 5-1/8" x 3-7/8" card stock using verse from the Perfectly Plaid stamp set and the Poppy Parade stamp pad. Attach to the Poppy Parade on the back of the card and you are now done!!
