Supplies/Accessories:
Ornament Dies
1-1/2" Circle Punch
Stylish Shapes Dies
Silver & White ½" Sheer Ribbon
Rhinestone Basic Jewels
Stampin' Dimensionals
Mini Glue Dots
Stampin' Cut & Emboss Machine

Instructions:
1. Score and fold the Blueberry Bushel 5-1/2" x 8-1/2" card stock on the long side at 4-1/4".
2. Attach one of the Basic White 5-1/4" x 4" cardstocks to front of card.
3. Choose pattern of choice from the Feels Like Frost DSP pack. Cut the 6" x 6" DSP at 4", taking 2" off the bottom of the DSP. Then, cut one 3/4" from the left side and then cut the next 3 pieces at 7/8" each. Cut the last piece at 3/4". By cutting this way you keep the picture lined up. Attach the two ¾" pieces to the two Blueberry Bushel 7/8" pieces. Then, attach the three DSP 7/8" pieces on the three Blueberry Bushel 1" pieces. Attach these pieces to the card front evenly. There's about 1/8" space between each piece.
4. Stamp ornament of choice from the Ornament Keepsakes stamp set onto a Basic White scrap using the Blueberry Bushel stamp pad. Cut out using the coordinating die from the Ornament Dies set. Attach toward the right side of card front using dimensionals. Attach Rhinestones. Tie a bow in a length of the Sheer ribbon and attach to the top of the ornament using a mini glue dot.
5. Stamp verse from the Brightest Glow stamp set onto a Feels Like Frost DSP scrap using the Blueberry Bushel stamp pad. Cut out using the 1-1/2" circle punch. Cut out circle from the Blueberry Bushel scrap using the 1-3/4" circle die from the Stylish Shapes Dies set. Attach the DSP to this circle and attach to card front using dimensionals. Attach Rhinestones.
6. Stamp verse from the Brightest Glow stamp set onto the second piece of Basic White 5-1/4" x 4" card stock using the Blueberry Bushel stamp pad. If desired, stamp a couple ornaments from the Ornament Keepsakes stamp set. Attach this piece to inside of card and you are now done!!
