Very Vanilla Scraps
Silver Foil Scrap

Stamp Set:
Happy Holly-Days

Ink:
Tuxedo Black Memento Stamp Pad
Soft Sea Foam Stampin' Write Marker
Bubble Bath Stampin' Write Marker

Supplies/Accessories:
Pretty Poinsettia Dies
Silver Twine
Rhinestone Basic Jewels
Stampin' Dimensionals
Multi-Purpose Liquid Glue or Mini Glue Dots
Stampin' Cut & Emboss Machine
Impressions Plate

Instructions:

1. Score and fold the Soft Sea Foam 8-1/2" x 5-1/2" card stock on the long side at 4-1/4".

2. Attach the White Velvet 5-3/8" x 4-1/8" DSP to card front.

3. Using the leaf stem from the Pretty Poinsettia Dies set, cut two from the Soft Sea Foam scraps and then emboss the leaf stems by keeping them in the die and running through the Stampin' Cut & Emboss Machine using the Impressions Plate. Set aside until next step.

4. Cut out the four poinsettia leaves using the Pretty Poinsettia Dies set. Emboss these leaves using the Impressions Plate as you did in Step 3. Attach the poinsettia leaves together using liquid glue or glue dots. Add adhesive to the back of the poinsettia and attach the Silver Twine in a looping fashion on each side. Then, attach the leaves from Step 3 to the back of the poinsettia. I cut the leaves apart to spread them out better. Using dimensionals, attach to the left upper side of the card front as shown above.

5. Using the center die from the Pretty Poinsettia Dies set, cut the centers out from the Silver Foil scrap. Attach to the center of the poinsettia from Step 4 using either liquid glue or glue dots.

6. Stamp the verse from the Happy Holly-Days stamp set onto the Soft Sea Foam 5-3/8" x ¾" toward the right side using the Memento stamp pad. Attach to the Silver Foil 5-3/8" x 7/8" piece. Attach to card front as shown above using regular adhesive.

7. Attach a Rhinestone to the center of the poinsettia.

8. Stamp verse from the Happy Holly-Days stamp set onto the Very Vanilla 5-3/8" x 4-1/8" card stock using the Memento stamp pad. Then stamp the Holly leaf to the bottom left corner and color in using the above-listed markers. Attach to inside of card and you are now done!!
