Sending Dies
Swirls of Magic Embossing Folder
Silver Twine
Traditional Sparkling Sequins
Rhinestone Basic Jewels
Stampin' Dimensionals
Multipurpose Liquid Glue
Stampin' Cut & Emboss Machine
Take Your Pick Tool

Instructions:

1. Score and fold the 8-3/4" x 7-1/2" card stock on the short side at 3-3/4".

2. Attach one of the Poppy Parade 8-1/2" x 3-1/2" card stocks to the front and inside of the card.

3. Emboss one of the Basic White 8-3/8" x 3-3/8" card stocks using the Swirls of Magic embossing folder. Set aside until next step.

4. Stamp the stockings from the Stitched Stockings stamp set using the above listed stamp pads onto Basic White scraps. Using the Stocking Builder Punch, punch the stockings out. If desired, using the same builder punch, punch the toe, heel and top of stocking from the White Velvet scrap. Attach each piece using liquid glue. Then, using the Take Your Pick Tool, poke a hole in each stocking in the upper left corner of each stocking. Then run the Silver Twine through each hole. Attach each end of the twine under the Basic White from step 3. Attach to card front. Then put dimensionals behind each stocking and spread them out evenly and stick down.

5. Using the smallest poinsettia petals die from the Pretty Poinsettia Dies set, cut out several from the Granny Apple Green scraps and the Peaceful Pine Scraps. Cut one petal from each piece and attach to the tops of the stockings using liquid glue or mini glue dots. Then attach a sequin to each of the leaves as shown above. If desired, attach Rhinestones to a couple of the stockings.

6. Stamp the Merry Christmas from the Versatile Christmas stamp set onto a Basic White scrap using the Poppy Parade stamp pad. Cut out using the longest label die from the Sending Dies set. Attach to the Poppy Parade 7/16" x 3-13/16" card stock. Attach under the stockings using dimensionals.

7. Stamp verse from the Versatile Christmas stamp set onto the second Basic White 8-3/8" x 3-3/8" card stock using the Poppy Parade stamp pad. If desired, stamp a couple stockings onto this piece. Attach to inside of card and you are now done!!
