Whimsical Woodland 3D Embossing Folder
Sparkle Sequins
Stampin' Dimensionals
Stampin' Cut & Emboss Machine

Instructions:
1. Score and fold the Basic White Thick 10-1/2" x 5-1/4" on the long side at 5-1/4".
2. Attach the Poppy Parade 5" x 5" card stocks to the front and to the inside of card.
3. Using the Whimsical Woodlands 3D embossing Folder emboss one of the Basic White 4-7/8" x 4-7/8" card stocks. Attach to card front.
4. Using the largest circle die from the Everyday Details Dies set cut out the Poppy Parade 3-1/2" x 3-1/2" card stock.
5. Using the largest circle die from the Stylish Shapes Dies set, cut out one of the Basic White 3-1/2" x 3-1/2" card stocks. Attach to the Poppy Parade circle from Step 4. Attach to card front using dimensionals.
6. Stamp the fuller wreath from the Wondrous Wreath stamp set onto the second Basic White 3-1/2" x 3-1/2" card stocks using the Granny Apple Green stamp pad. Then using the Shaded Spruce stamp pad, stamp the least full wreath over the one you just stamped. Next, using the Poppy Parade stamp pad, stamp the berries over the wreath. Cut out using the two coordinating dies from the Wonderful Wreath Framelits Dies set. Attach to the circles on card front using dimensionals.
7. Stamp the bow from the Wondrous Wreath stamp set onto a Basic White scrap using the Poppy Parade stamp pad. Cut out using the coordinating die from the Wonderful Wreath Framelits Dies set. Attach to the top of the wreath as shown above.
8. Using the Poppy Parade stamp pad, lightly tap over the Christmas Word Collage embossing folder (the raised side). Put the coordinating die over this and lay a Basic White scrap over it and die cut. Attach the words over the wreath at the bottom as shown above.
9. Attach red sequins to the center of the bow and randomly on card front.
10. Using the Whimsical Woodland 3D EB, emboss the left side of the Basic White 4-7/8" x 4-7/8" card stock. Stamp verse from the Wondrous Wreath stamp set to the right of the embossing using the Poppy Parade stamp pad. Attach to inside of card and you are now done!!
